enriched and strengthened with european case studies of real life situations providing a practical and industry insights part a and b collate experts in economics finance public policy human resources and risk management contributing on employability labour markets sustainability and skills of the future from across the globe

child labour in the global human rights regime is about children s rights labour and slavery in modern and modernizing societies in the context of what has been summarized as a well established and increasingly sophisticated framework of treaties institutions networks and ambitious standards with respect to human rights

phishing for nazis is an evidence based undercover study of neo nazi communities on anonymous communication platforms that helps to shine a light on the dark web it unveils how hatred and conspiracies spread and thrive online and how white supremacy is becoming prominent as extremists find shelter in the online dank underbelly of society phishing for nazis explains how online manifestations of hate radicalize people into taking real world action such as shooting sprees methodologically this book is unique as it incorporates undercover cyberethnography a method frequently used by law enforcement and intelligence agencies unlike traditional academic studies of racism or social behavior that rely on secondary sources or surveys with a particular interest on how race issues translate online the book presents the true phenomenon of racism without relying on political correctness or whitewashing it contributes to the field of cyber communication as it details why and how people communicate and manage entire communities without knowing one another the book also contributes to public policy regulators and technology companies as they deal with the practice of online anonymity and extremism

the study explores the underlying motives and processes why and how corporate sponsors and professional football clubs in germany enter into an additional share deal given the contradictory nature of corporations monetary driven and football clubs maximising sporting success while operating in economic equilibrium this work aims to generate theory within the specific field of professional football and to provide recommendations for action

in the modern age of urbanization the mass population is becoming progressively reliant on technical infrastructures these industrial buildings provide integral services to the general public including the delivery of energy information and communication technologies and maintenance of transport networks the safety and security of these structures is crucial as new threats are continually emerging safety and security issues in technical infrastructures is a pivotal reference source that provides vital research on the modernization of occupational security and safety practices within information technology driven buildings while highlighting topics such as explosion process safety nanotechnology and infrastructural risk analysis this publication explores current risks and uncertainties and the raising of comprehensive

awareness for experts in this field this book is ideally designed for security managers safety personnel civil engineers architects researchers construction professionals strategists educators material scientists property owners and students

this book sheds light on the role and impact of sustainability mediation an effective tool for political authorities and business enterprises to persuade consumers of the integrity of their actions products and services in this era of ecological and societal crises fuelled by increasing consumption sustainability has become a key buzzword and target to attain governments around the world argue that they will meet their sustainability goals through environmental actions by enabling consumers to make better choices and expecting brands to respond accordingly at the same time consumers are overwhelmed by the messaging conveyed in sustainability marketing campaigns often featuring misleading greenwashing with political authorities organisations and business enterprises all having conflicting interests in this complex scenario mediation has become a crucial issue this book offers a critical and multidisciplinary view of sustainability mediation from experts in the fields of philosophy consumption research media studies fashion design and citizenship offering a unique holistic view each chapter highlights different and problematic aspects of the cultural narratives being communicated for example the necessity of growth and the notion of a green economy they present current theories methods indicators and strategies used to assess and measure the relation between mediation behaviour and sustainable development this book is of interest to scholars researchers and postgraduate students in all subject fields concerned with sustainability including design visual communication fashion consumption media and journalism and sustainable development

utilising lon fuller s conception of legality this book argues that current legal provisions often used to control online abuse aided by social media do not conform to the basic principles of legality in the criminal law in turn threatening freedom of expression how we regulate inappropriate behaviour online often referred to as online abuse particularly online abuse aided by social media is a contemporary concern for governments across the globe tragedies such as the death of a celebrity following a campaign of online abuse often hit the headlines followed by the same echo there should be a law against this yet in england and wales numerous laws exist to control prosecute and convict individuals who use the likes of social media to harass intimidate and abuse others online so why is the law failing to keep pace with modern technology this monograph critically examines this fundamental question from the perspective of legality applying criminal law to three growing areas of concern it covers 1 racist speech 2 cyberharassment cyberstalking and 3 the sending of abusive messages online it then turns to examine the latest attempts by uk officials to tackle these issues through the implementation of the online safety act 2023 and france s germany s and india s attempts to regulate social media the book will be of interest to researchers in the field of criminal law and cyber law as well as online abuse harassment and discrimination

master s thesis from the year 2023 in the subject english language and literature studies other grade 1 o university of wuppertal language english abstract have you ever seen a carpet from below probably you will have noticed a jumble of threads and colors and it is difficult to see the beauty of the actual pattern from this perspective the equivalent is applicable to the letters of john and abigail adams if one reads only one or a few letters from the overabundant corpus it seems like a big hodgepodge of anecdotes from the most diverse areas of life from philosophizing about the principle of the passion of superiority in human nature it merely takes a few lines to ask about the performance of the asparagus in the adams garden cf my dearest friend john s and abigail s writings during the revolutionary war shift in a short time from the occupation with the inhumane and brutal treatment of war captives to a praise about the charms of the morning and the streaks of glory dawning in the east this back and forth these ups and downs can be entertainingly varied on the one hand but also disturbing to the reader on the other the fact that the flow of reading is disrupted by the fragmentation of individual topics into different letters over a longer period of time can also contribute to the fact that the letters of the couple are not readily brought to hand as a source from the time of the war of independence john adam s diary for example provides a similar or even deeper form of intimacy and familiarity and its orderly structure by days makes it clearer to handle than an exchange of letters in a time when delivery took days weeks or even months however the difficulties just depicted also render the correspondence a fascinating object of analysis this paper will attempt to take the perspective from above and see the beautiful pattern on the verso of this tangle

these substantial volumes present the fullest account yet published of the lexicography of English from its origins in medieval glosses through its rapid development in the eighteenth century to a fully established high tech industry that is as reliant as ever on learning and scholarship the history covers dictionaries of English and its national varieties including American English with numerous references to developments in Europe and elsewhere which have influenced the course of English lexicography from publisher description

seminar paper from the year 2021 in the subject didactics for the subject English pedagogy literature studies grade 10 university of education Heidelberg language English abstract this paper explores the challenges and opportunities of inclusive and differentiated teaching in English as a foreign language EFL classrooms focusing on the role of drama as a tool to support these processes while traditional models of homogeneous learning groups are outdated the need for inclusion and individualized instruction is more pressing than ever this paper reviews existing research on drama in the EFL context and examines how it can enhance language learning while fostering an inclusive environment by considering both student and teacher perspectives the paper highlights the potential of drama pedagogy to address the complexities of teaching heterogeneous groups in foreign language education offering practical insights for inclusive and differentiated instruction
