examines the history of the american south from its colonial beginnings through the civil war

collection of writings of people who lived on the plantations and of people who visited there

tracing the geographical changes in plantation agriculture and the plantation regions after 1865 aiken shows how the altered landscape of the south has led many to the false conclusion that the plantation has vanished in fact he explains while certain regions of the south have reverted to other uses the cotton plantation survives in a form that is in many ways remarkably similar to that of its antebellum predecessors

a visitors guide to the southern united states during the 1850s including history geography and climate what to see and do southern culture and major cities

examines the history of slavery in the united states

a provocative explanation of how differences in slavery and later abolition movements produced different responses in post abolition societies and contributed significantly to the creation of the southern myth sylvia frey tulane university providing new insights into the origins of benevolent myths about the old south nathalie dessens compares slave systems of the caribbean and the american south from the early days of european colonization to the abolition of slavery her uncommon combination of historical and literary scholarship in a broad comparative framework explains why these two slave societies of the americas developed so differently she shows that underneath apparently obvious similarities evolution of southern society and its west indian counterpart

Closer To Freedom Enslaved Women And Everyday Resistance In The Plantation South Gender And American Culture By Camp Stephanie M H Published By The University Of North Carolina Press

diverged markedly notably during debates over the existence of slavery in both regions

climate and soil conditions favored the development of plantations that relied almost exclusively on the cultivation of such crops as cocoa coffee tobacco cotton indigo and sugar and on the importation of other consumer goods these agricultural economies required extensive manpower and all colonial societies experienced a constant labor shortage both regions readily adopted the system of slavery dessens contrasts the institution in the west indies and the american south from codification and implementation to abolition and its aftermath she also describes differences in both regions connected to their geography and varying status as territories her examination illuminates the emergence of a cultural distinction of the american south both before and after emancipation southerners found themselves defending their entire civilization and the myth of benevolent plantation life complete with paternal masters and contented slaves was born southern fiction writers added their voices to the defense and wrote historical novels that glorified the golden age of the south dessens asserts that no parallel mythologizing existed in west indian society where plantation life was debunked rather than celebrated in addition to primary sources such as diaries and slave narratives scholars will be especially fascinated by dessens use of travel narratives a fashionable genre in the 18th and 19th centuries some written by american colonists visiting other colonies of the western hemisphere and others written by europeans visiting the american colonies nathalie dessens is professor of american history and civilization at the university of toulouse france

this study of the much mythologized southern belle offers a serious look at the lives of white women and their harsh and restricted place in the slave society before the civil war drawing on the diaries letters and memoirs of hundreds of planter wives and daughters the author sets before us the daily life of the plantation mistress and her ambiguous intermediary position in the hierarchy between slave and master

elderly slaves contributed substantially to the creation and perpetuation of the unique african american culture and antebellum plantation society in the south interwoven with this major argument are two subthemes one centers on the fact that by the late antebellum period elderly slaves were some of the chief transmitters of africanism the other focuses on how gender based distinctions of the elderly became blurred although the roles of the elderly often changed elderly slaves contributed to the plantation
