the mission of the international journal of educational reform ijer is to keep readers
up to date with worldwide developments in education reform by providing scholarly
information and practical analysis from recognized international authorities as the
only peer reviewed scholarly publication that combines authors voices without
regard for the political affiliations perspectives or research methodologies ijer
provides readers with a balanced view of all sides of the political and educational
mainstream to this end ijer includes but is not limited to inquiry based and opinion
pieces on developments in such areas as policy administration curriculum instruction
law and research ijer should thus be of interest to professional educators with
decision making roles and policymakers at all levels turn since it provides a broad
based conversation between and among policymakers practitioners and
academicians about reform goals objectives and methods for success throughout
the world readers can call on ijer to learn from an international group of reform
implementers by discovering what they can do that has actually worked ijer can also
help readers to understand the pitfalls of current reforms in order to avoid making
similar mistakes finally it is the mission of ijer to help readers to learn about key
issues in school reform from movers and shakers who help to study and shape the
power base directing educational reform in the u s and the world
