ernst marti devoted his life to researching the etheric realm a subtle area that exists between the physical and spiritual taking the numerous

statements and references by Rudolf Steiner as his starting point, Dr. Marti develops our understanding of the etheric world in various fields from the theory of knowledge to the natural world through to music, the realm of colours, eurythmy and medicine. In doing so, he proposes exciting bridges from the ancient and medieval worldview to the present and future of natural and spiritual science. The etheric explores the fourfold realm of the ethers, giving an overview of their cosmic origins in the evolution of the earth. Dr. Marti shows how the ethers work in phenomena of warmth, light, sound and organic life. He brings a contemporary understanding and insight to the classical elements: fire, air, water and earth, as the media through which ethericity manifests and works in the world. Four physical forces are also explored, which, as opposites to the ethers, have a constant tendency to break down and annul what life-giving ether creates. Dr. Marti then studies the shadow aspects of the ethers connected to what he terms the sub-natural forces of electricity, magnetism and nuclear force. Given that the author was unable to complete this book in his lifetime, his pupil and colleague Irmgard Rossmann edited the final version in the spirit of her teacher. It is published here in two volumes, with this first focusing on the world of the ethers and the forthcoming volume on the world of formative forces.

According to esoteric teachings, we have an energy body of lighter, less dense material that is connected to our physical bodies. Those who can see it call it the aura and can sometimes tell the state of a person's health by the way it appears. Those who use its energy refer to the force as prana, chi, vital force, orgone or a number of other names. There are seven chakras or energy points where this energy collects in the etheric body, working with the chakras and these spiritual energies can play a big part in the psychic development and enlightenment of those sensitive enough to work on these levels. This book shows you how. Subjects include a chapter on each chakra center, also prana or vitality force centres, kundalini, healing, mediumship, birth, death, mesmerism, magnetisation of objects, ectoplasm and more.

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. In this revised and expanded edition of his classic debut, Sergei Prokofiev investigates the deepest mysteries of Rudolf Steiner's life and individuality from the years of apprenticeship and the Great Sun period to the path of the teacher of humanity and the birth of the new mysteries. He discusses the earthly and supersensible aspects of the first Goetheanum, the implications of the Christmas Conference of 1923-24 and the foundation stone meditation that Steiner left as a legacy to members of the Anthroposophical Society. In his very personal introduction, Prokofiev describes in moving

detail the events in his life which led to his discovery of anthroposophy whilst living in communist russia and how eventually he came to write this extraordinary study of rudolf steiner the resulting volume a work of secondary anthroposophical literature unprecedented in its depth and significance was first published in germany in 1982 meeting with equal amounts of acclaim astonishment and controversy it is published in this paperback edition to mark the 35th anniversary of the original publication

a presentation of experimental evidence that illness can be seen in the subtle energy fields of the body fascinating case studies of actual patients show that clairvoyant observation can diagnose disease and even reveal potential illness before it manifests in physical symptoms the key to health and disease lies in the dynamic interaction between the body s physical emotional and mental fields and universal energy fields understanding this interaction can help us alter our energy patterns in the direction of better health includes a full color foldout diagram of the chakra system

our world today is increasingly characterized by speed movement and flux there is often a lack of sufficient time to do what needs to be done and life seems to be marked by change upheaval and revolution but in the midst of this turmoil say the authors people are having conscious and semiconscious experiences of the etheric world the world that comprises the forces of life however this growing sensitivity to the etheric realm only intensifies experiences of movement and upheaval to counter such feelings we should take hold of our inner life and strengthen the i our true self

featuring essays supplemented with a substantial amount of source material from rudolf steiner and other authors this book is an invaluable resource for inner development and the beginnings of true spiritual vision we learn to practise the ability to add to every physical perception whether of stone plant animal or another person the etheric reality associated with that entity this process leads us to become more aware of the after image and to become conscious within the etheric realm baruch urieli comments that this is not an esoteric path but is rather an endeavour to bring the beginnings of a natural consciousness of the etheric to full consciousness and hence under the rulership of the ego

this book beyond the elemental world must be seen as a continuation of my last two books the northern way of initiation and the three realms almost like a volume 3 for many years very many years i have read about talked about and even been able to a certain extent to see clairvoyantly into to so called etheric world with its multitude of entities i have also been aware of that a certain part of this etheric world the part that expressed itself or was is the foundation of the material existence is called the elemental elementary world much changed on the 30th of march 2020 when my eyes suddenly opened to deeper realms of the elemental world called the second realm and the first realm of the elemental world then a few days later also opening also the etheric and astral world s as well as the angelic world s as all these are more or less interconnected then on the 3rd of august 2020 my eyes opened to a further depth to another world beyond the elemental realms which i at first called a parallel world but now understand as the etheric world this totally superseded the limits of both the northern way of initiation and the three realms and i again understood that i had to write a new book a third book here it is

featuring over 1 200 topical entries arranged alphabetically this encyclopedia provides diverse and detailed coverage of the related subjects of reincarnation and karma its in depth examination ranges from ancient beliefs to those of the present incorporating all relevant world cultures a series of broad thematic entries cover foundational aspects while over a thousand highly focused entries deal with various societies and organizations which support the concepts of reincarnation and karma specific religious groups sects and associations key individuals both historic and modern and related beliefs concepts and practices

dedicated to the centenary of rudolf steiner s first proclamation of christ s appearance in the etheric realm of the earth this book discusses various aspects of that event that had not previously been addressed adequately sergei prokofieff points to three themes of primary importance all of which are connected directly with the tasks of the society that rudolf steiner founded the preparation of humankind for the second coming working with christ as the lord of karma recognizing in anthroposophy the spiritual language through which questions can be posed to the etheric christ today

prokofieff describes these and other critical undertakings such as forging a strong relationship with michael and the importance of recognizing the adversarial forces attempting to falsify christ s second coming the appearance of christ in the etheric is of relevance to every individual who wishes to take an active role in fulfilling the needs of our time
