la fonte q o documento q è una fonte presumibilmente perduta che si ritiene sia all origine

degli elementi comuni ai vangeli di matteo marco e luca marco e luca secondo gli storici si tratta di una compilazione dei detti di gesù di nazareth risalente all'incirca all'anno 50. L'ipotesi della fonte q è una diretta conseguenza della teoria delle due fonti. Questa teoria afferma che il vangelo di marco e la fonte q sono serviti come fonte per la riscrittura dei vangeli di matteo e luca. In questo libro presento gli argomenti che dimostrano che questa compilazione delle parole di gesù è autentica e che si tratta di quella che gli storici chiamano la fonte q. Quest'opera comprende anche una biografia storica di gesù nonché una cronologia degli eventi successivi alla vita dei discepoli di gesù l'età apostolica e infine una sezione di commenti ai detti di gesù. Per concludere questa descrizione alcuni a volte si chiedono a cosa serve conoscere la parola originale di gesù se i padri della chiesa hanno deciso di nascondere e di privilegiare le versioni corrette del messaggio di gesù. È un punto di vista comprensibile ma da un punto di vista filosofico come possiamo conoscere la fine della strada se non conosciamo il nostro punto di partenza senza il senno di poi di conoscere l'origine come possiamo orientarci in questo labirinto.

This volume contains a collection of twenty one essays of John S. Kloppenborg with four foci: conceptual and methodological issues in the synoptic problem, the sayings gospel, the gospel of mark and the parables of Jesus. Kloppenborg, a major contributor to the synoptic problem, is especially interested in how one constructs synoptic hypotheses, always aware of the many gaps in our knowledge, the presence of competing hypotheses, and the theological and historical entailments in any given hypothesis. Common to the essays in the remaining three sections is the insistence that the literature, thought, and practices of the early Jesus movement must be treated with a deep awareness of their social, literary, and intellectual contexts. The context of the early Jesus movement is illumined not simply by resort to the literary and historical sources produced by Greek and Roman elites, but more importantly by data gathered from documentary sources available in non-literary papyri.

In this work Giuseppe G. Scollo offers a complex understanding of the phenomenon of violence through an in-depth study of Luke 16:16, allowing for the possibility of a positive link between violence and love.

L'offerta formativa dell'Istituto superiore di scienze religiose di Mantova prevede due cicli: uno triennale per il conseguimento della laurea in scienze religiose o baccalaureato e uno specialistico biennale per il conseguimento della laurea magistrale in scienze religiose o licenza. Il secondo ciclo comprende due indirizzi di specializzazione: uno pedagogico-didattico per la scuola e uno pastorale ministeriale.

papers presented at a seminar organized by the center in rome 1979

the theme of the 2006 international congress of byzantine studies was display this is explored under eight headings which highlight different aspects of the theme and different disciplines within byzantine studies empire works and days infrastructures words texts orthodoxy byzantium as display and the future of the past in the process many of the possible responses to byzantium are examined the most direct response being to ask whether there was a real byzantium or only an imaginary modern construct but the aim is to make this simple dichotomy more complex and assess first what strategies the people of byzantium used to express their thoughts ideals fears and beliefs and then how these have been interpreted through various modern discourses the first volume presents the texts of the 28 plenary papers delivered at the congress the second and third contain the abstracts of the approximately 700 papers written for the 64 separate panels and the sessions of communications
